

MORGAN HIGH SCHOOL

ATHLETICS DEPT.

Home of the Bulldogs

We invite you to participate in our Spin-A-Thon to help us raise money for our Athletics Programs. The students will keep the same coin spinning using a Vortex® coin funnel for 12 hours if they can last the entire event. They will only take 5 minute breaks every hour.

WHEN: Saturday October 22, 2018
START: 8:00 AM (Arrive by 7:30)
END: 8:00 PM
WHERE: Morgan Gym

About the Vortex®

These unique devices are small versions of the larger floor-model Spiral Wishing Wells that have raised over \$1 Billion for schools, churches, museums, zoos, libraries, and other charities around the world. Coins spin on their edge as they spiral around the funnel, faster and faster, clinging to the nearly vertical walls until they finally disappear below. They are used for teaching physics, planetary orbits, and all about tornadoes and whirlpools.

By moving the Vortex® in a circular motion, our students will create centrifugal force and keep the coins spinning as long as their coordination lasts.

We will award 1st, 2nd, and 3rd, prizes for the top earners, and the class that raises the most money will get 10% of the total for their class events. Thank you for supporting our Athletic Department with your support and sponsorship of this event.

Morgan High School Athletic Department Spin-A-Thon Pledge Card

Student's Name: _____ Class: _____

I pledge the following dollar amount:

___\$100/hour ___\$50/hour ___\$20/hour ___\$10/hour ___\$5/hour ___\$2/hour Maximum \$ _____
